the art of
lounging

sunsofurniture.net

intro

Since 2005, at Sunso, our goal has been simple: to design outdoor spaces that inspire, connect, and endure. We create bespoke furniture and environments for hotels and residences, combining design, comfort, and functionality.

In a market flooded with standard solutions, Sunso stands out through originality, quality, and personalization. Each project reflects our passion for transforming spaces into lively, elegant, and harmonious places.

We love offering our clients innovative and accessible solutions that make outdoor experiences unique and enjoyable. Beyond furniture, we craft atmospheres where people feel good, relax, and come together. At Sunso, we continue to reinvent the art of outdoor lounging.

flex seating system

arizona is minimalism with a twist. Its light, almost invisible frame creates a floating effect, while sleek lines and wooden armrests add warmth and a touch of elegance. Designed to look great from every angle, arizona seamlessly blends into any space. Clean, timeless and versatile—here's your high-end functionality topped with Sunso signature sleekness. arizona comes with the patented Flex System, giving you the power to reshape your space on the fly—sectional, chaise, or daybed, all just one flip away.

como collection

designed for deep relaxation, montreal blends modular versatility with an inviting, elevated feel. Made for going with the flow.

como collection

Como captures the fluidity of motion in a bold, sculptural form. Its rounded, organic shapes echo the gentle movement of the waters of Lake Como, creating a playful yet refined aesthetic.

The double-face backrest adds volume and depth, while an array of cushions in high-end fabrics bring colour, texture and an extra layer of **comfort**.
